

# Spiritual House

KMFDM

Re-shape your body against the brain  
In a spiritual house tune in today  
Dance after dark  
In a spiritual house  
Death by sweetheart  
In a spiritual house

We only have a silent voice  
In a spiritual house  
Emotions and no reasons  
In a spiritual house

Are you gonna hate your brother?

Much like we're the bunny rabbits  
Much like we're bunny rabbits  
In a spiritual house

Beyond success and failure  
Watch your t.v. all night  
Watch your t.v. all night  
In a spiritual house

The more tears you shed  
In a spiritual house  
Being boring  
Being boring  
Spiritual house  
In a spiritual house

Are you gonna hate your brother?

Much like we're the bunny rabbits  
Much like we're the bunny rabbits  
In a spiritual house

Are you gonna hate your brother?

Are you gonna hate your brother?

In a spiritual house  
Spiritual house  
In a spiritual house

Much like we're the rabbits  
Much like we're the rabbits  
In a spiritual house
