

## **Sturm & Drang**

**KMFDM**

You make and break your own restrictions  
You write and prove your own revisions  
You become new

You sweat and bleed pure fascination  
You thrive upon disintegration  
You break through

The truth the lies all fabrications  
Only you control your destination  
You are what you do

You put aside your resolution  
You dig into a new conclusion  
You become new

You revel in the de-construction  
You feel your mind become a weapon  
You break through

Wiederaufbau und vernichtung  
Wirklicheit und heldendichtung  
Edle wahrheit und legende  
KMFDM zum bitteren ende

Sturm&drang  
Dir gehören  
Sturm&drang

Neu und fremd
