

## Effortless

### Knapsack

Kill the first one that escapes  
From the basement  
A move to try and suffocate  
Your replacement  
Holding back the hand that shakes  
He waits for  
He waits for

An open space out on the floor  
He waits for  
He waits for

(Chorus)

Effortless - distance yourself from the rest  
Effortless - a wishing well that won't confess to  
Effortless - distance yourself from the rest  
Effortless - a wishing well that won't confess to
