Mission: De-evolution

Knights Of The Abyss

Presenting the old world, corrupt Mankind becoming so f**ked up Exploiting the fall of every man All across the war-torn lands Don't hesitate to show the light Creating all sorts of hype Of a new stereotype Promoting hate is my only gripe Segregating different races Use the pencil that erases Break the walls, come to your senses Power is all your mind quenches The careless need to get off their fences Atmosphere reeking of putrid stenches Come on! Destroying the earth Corroding to hell Nails on a chalkboard Headaches will swell Tying your limbs into complex knots I am the juggernaut! Nukes flying left and right Nations act in their final fight There is no end in sight Our world will end tonight Humankind running on E Too bad your life isn't f**king free Mankind's engines slowly die Bow to your final f**king cry Try to escape, you cannot All fear the juggernaut!
