

Try Again

Knorkator

What would you do, to get to me?
What would say, to have your way?
Would you give up or try again,
If I hesitate to let you in?
Now would you be yourself, or play role?
Tell all the girls, or keep it low?
If I say no, would you turn away,
Or play me off or would you stay?

If at first you don't succeed
dust yourself off and try again
You can dust it off and try again,
'Cause if at first you don't succeed
You can dust it off and try again,
dust yourself off and try again

I'm into you, you're into me,
but I can't let it go, so easily,
Not 'till I see, where this could be,
could be eternally, or just week,
You know our chemistry, is off the chain
It's perfect now, but will it change?
This ain't a yes, this ain't a no
Just do your thang,
and we'll see how it goes

If at first you don't succeed
dust yourself off and try again
You can dust it off and try again,
'Cause if at first you don't succeed
You can dust it off and try again,
dust yourself off and try again

See you don't wanna throw it all away,
I might be shy on the first day,
but what about the next day?
See you don't wanna throw it all away,
I might be buggin' on the first day but
what about the next day?

If at first you don't succeed
dust yourself off and try again
You can dust it off and try again,
'Cause if at first you don't succeed
You can dust it off and try again,
dust yourself off and try again
