

Alexander Pl.

Knuckle Puck

i said i wouldn't think of anything
but honestly, i have a mouth full of words busting through teet
h
so let me explain how your best friends make you weak
you think that i'll waste away on these cold winter days but yo
u're wrong
you're so wrong
can't sleep anywhere anymore but this hardwood floor

but i know where you are
you're buried under alexander
left to rust where you lay
in a pattern that you can't break
keep those eyes to the floor
cause we know you can't stand my face

you said you couldn't think of anything
but we both know you don't always say what you mean
and tell me again how the past makes this repeat
cause you're wrong
you're so wrong

but i know where you are
you're buried under alexander
left to rust where you lay
in a pattern that you can't break
keep those eyes to the floor
cause we know you can't stand my face.

you wanna shake this off so bad, but you can't
