

Another life lost.

I can't believe my eyes. What the f**k is going on these days? People getting shot for backward reasons. Something's got to change. Another mother cries in her sleep, another soul lost to the streets. I can't believe my eyes, I can't believe everything that I've seen.

So tell me what the f**k you gonna do, if the gun was pointed at you?

So tell me how the f**k you gonna feel, when the victim is you?

Disarm.

f**k Trident. Only now when more youths pick up a gun, you arrest, harass and pay more attention. When it's too late, it's what we've been taught, this world don't give a f**k about us. There's no hope but we've got to try. Do you want to see your children die?
