

## Aria of Karmika

### Kobra and the Lotus

One life has gifted you a path  
with an unwritten face  
Two hands have given you the chance to build a  
better place

As pure as the moonlight  
Knowledge floods the pain  
Darkness fades away

Aria of Karmika  
Aria of Karmika

One mind to learn from actions past  
Two feet to walk a righteous path

As pure as the moonlight  
Knowledge floods the pain  
Darkness fades away
