

# No Rest For the Wicked

Kobra and the Lotus

There will be no rest for the wicked

Misery is what she feels inside this never-ending hole  
Wonders if he'll be back again  
He's left before and he'll do it again

Every morning the sun forgets to rise  
Sacrificing the loyalty  
Shattering the spine

Another familiar story in a more familiar place  
Kissing their kids goodnight  
They struggle without a trace  
Is this the life they're leading? A fake distorted lie?  
Until it hits inside that nothing good lasts forever

Strung high on delusion  
Integrity is falling down  
Betrayal's the voice of it all  
Reflect as they suffer

Every morning the sun forgets to rise  
Sacrificing the loyalty  
Shattering the spine

Another familiar story in a more familiar place  
Kissing their kids goodnight  
They struggle without a trace  
This is the life they're leading, a fake distorted lie  
Until it hits inside that nothing good lasts forever

NO REST FOR THE WICKED!

Come a little closer, let me show you where they hide  
Ruining their disguise  
Stabbing is a wicked game to play, exposing all the signs  
Now wake up to the reality that nothing good lasts forever!

Another familiar story in a more familiar place  
Kissing their kids goodnight  
They struggle without a trace  
Is this the life they're leading? A fake distorted lie?  
Until it hits inside that nothing good lasts forever

There will be no rest for the wicked  
I said nothing good lasts forever  
There will be no rest for the wicked
