

After The Fall

Kodaline

People keep talking
But I can't hear a word they say.
Life just keeps moving.
The world gets stranger every day.

And, yeah, "Time is on your side" -
That's what people tell you
But I got to let you go.

My head is saying that this is for the better.
I just want you to know -
I can't hold on forever
When all I wanna do is let go,
All I wanna do is let go.

Sirens are screaming
But I can't hear a single sound.
And I'm feeling uneasy,
And I wait, and I wait for a change to come around

I get the feeling that this is for the better.
And I just want you to know -
I can't hold on forever
When all I wanna do is let go.
Ooh, ooh, yeah.
All I wanna do is let go
Ooh, ooh.

Are you searching for an answer
Or just peace of mind?
When your life has lost its meaning,
Maybe you need a little time.
