People keep talking
But I can't hear a word they say.
Life just keeps moving.
The world gets stranger every day.

And, yeah, "Time is on your side" - That's what people tell you But I got to let you go.

My head is saying that this is for the better. I just want you to know - I can't hold on forever When all I wanna do is let go, All I wanna do is let go.

Sirens are screaming
But I can't hear a single sound.
And I'm feeling uneasy,
And I wait, and I wait for a change to come around

I get the feeling that this is for the better.

And I just want you to know I can't hold on forever

When all I wanna do is let go.

Ooh, ooh, yeah.

All I wanna do is let go

Ooh, ooh.
