

# Ready

Kodaline

You tell me that you're ready but you just don't know  
My eyes are getting heavy and it's starting to show  
Never seen it coming, never seen a thing  
Maybe I'll get through what's ever coming to me

Cause I've been so unlucky I don't know what to say  
Running out of money I've been wasting away  
I never seen it coming never seen a thing  
Maybe I'll get through what's ever coming to me

We fall  
We fall down  
If we fall  
We fall down  
If we fall down hard I'll be ready to grow

I'm ready  
I'm ready for it  
I'm ready  
I'm ready for it  
I'm ready  
I'm ready for it all

Look me in the eye when I am talking to you  
It's easy to get nervous I've been feeling it too  
Yeah it's kind of crazy, yeah it's kind of dumb  
But never let the pressure overpower the fun

Yeah I'm sure your parents probably said it to you  
Follow what you love and you will love what you do  
And never let the pressure tell you that you're not  
Capable of being everything that you want

We fall  
We fall down  
If we fall  
We fall down  
If we fall down hard I'll be ready to grow

I'm ready  
I'm ready for it  
I'm ready  
I'm ready for it  
I'm ready  
I'm ready for it all

I'm ready  
I'm ready for it  
I'm ready  
I'm ready for it  
I'm ready  
I'm ready for it all

Look me in the eye when I am talking to you  
It's easy to get nervous I've been feeling it too  
Yeah it's kind of crazy, yeah it's kind of dumb  
But never let the pressure overpower the fun

I'm ready  
I'm ready for it  
I'm ready  
I'm ready for it  
I'm ready  
I'm ready for it all
