## **Chick On Da Side**

## **Koffee Brown**

You say you ain't got nobody (body) Thought you was bout it, bout it Skeletons in your closet, closet Baby was you trying slide You say you ain't got nobody (body) Thought you was bout it, bout it Skeletons in your closet, closet Bet you gotta chick on da side

You say you ain't got nobody (body) Thought you was bout it, bout it Skeletons in your closet, closet Baby was you trying slide You say you ain't got nobody (body) Thought you was bout it, bout it Skeletons in your closet, closet Bet you gotta chick on da side

I seen you with that chick With the diamonds all over her wrist And the deep dish rims on six Dipped on crome cell phone's on Floss all day at the mall With your boys at the park balling ball Gave you my number But you wouldn't call Ain't know thang Game recognize game

Girl you got some kinda nerve You said you lived alone The night when I called ya Why did a nigga pick up your phone? I know he wasn't your brother Your nephew or your cousin So I asume he was your lover Tell me what should I think about you

You say you ain't got nobody, body (nobody) Thought you was bout it, bout it Skeletons in your closet, closet Baby was you trying slide You say you ain't got nobody (body) Thought you was bout it, bout it (bout it baby) Skeletons in your closet, closet Bet you gotta chick on da side

You say you ain't got nobody (body) Thought you was bout it, bout it Skeletons in your closet, closet Baby was you trying slide You say you ain't got nobody (body) Thought you was bout it, bout it Skeletons in your closet, closet Bet you gotta chick on da side

Ya I gotta chick for awhile

Quick it cause your using my child Girl I thought you could make me smile But it's the same old thang Nothing's change Sitution's got me lost God knows I gotta cut her off I respected you enough Tell me what the deal Keep it real

Tens smoked out on your whip Said you called but I couldn't see You were parked out side in the morning You said your wheels are cut Paint scrathed up Call here kousin me out Get your cloths There all thrown out Took my love And you thode it own out Said it ain't know thang Game recognize game

You say you ain't got nobody (body) Thought you was bout it, bout it Skeletons in your closet, closet Baby was you trying slide You say you ain't got nobody (body) Thought you was bout it, bout it Skeletons in your closet, closet Bet you gotta chick on da side

You say you ain't got nobody (body) Thought you was bout it, bout it Skeletons in your closet, closet Baby was you trying slide You say you ain't got nobody (body) Thought you was bout it, bout it Skeletons in your closet, closet Bet you gotta chick on da side

Were you gon meet What you gon do How you gon do it Beta get to it boy You, me And she just a friend of mine (all)All you do is creep, creep (creep) You know chase the paper late at night Weep, weep You call me back when you get ready Can't believe a thing you tell Noooooooo! You, me And she was just my baby momma All you do is creep, creep Always callin me with so kinda drama Weep, weep (Yes she was) You call me back when you get ready Can't believe a thing you tell me Bet you gotta chick on da side
