

# Baby Don't Love You

Koffin Kats

Love was hot like a burning forest fire  
But it soon felt more like an acid bath  
Spent all your money tried to keep her happy  
But her eyes were looking always somewhere else

Hey, I tried to say "stay away from her"  
Evil was in her eyes  
Your baby don't love you no more

Take some words from me  
Love is not so great  
Fly like an eagle now  
Your baby don't love you no more

Life took a big shit on your head  
But you can't say I didn't tell ya so  
The bitch was born to run wild  
and you're too damn slow to even keep up

Don't you worry  
We'll find ya another  
Where there's one there's always a hundred more  
That's not true but I thought it'd make ya happy  
and I'm pretty sure you'll always be alone
