

Forever for Hire

Koffin Kats

Take the call and were on the job.
We won't be home tonight.
Think of us as a better way.
We do your dirty work.

Take your head and take peace of mind.
When crime is not for you.
We posses certain skills and we know just what to do.

We don't see an end to the road we are on.
We work in between what is right and is wrong.
There's just is no end to the evil in life.
For that we are always forever for hire.

Lost you are and they let you down.
Justice was so blind.
Walking free are the guilty ones.
With the money to always win.

Nothing we do will bring them back.
But we can help erase the pain.
Make them know what it feels like.
They won't have died in vein.

We don't see an end to the road we are on.
We work in between what is right and is wrong.
There's just is no end to the evil in life.
For that we are always forever for hire.
