

Small Block & Flathead

Koffin Kats

If your carburetor county jalopy junction bound.
Then your looking for some madness down in the south.
Folks are a little weird the towns a little strange.
And when ya pass the bone yard just look for the shop where.

Where they're rebuilding motors.
Bringing life to corpses.
A nights work for a small block and flathead.
Wrenching on the dead.
And replacing heads.
It's the only life for small block and flathead.

Small block digging up some gnarly things.
Gonna weld 'em all together and make some friends.
Generator motor regenerate the dead.
Theres parts in the bone yard.

Where they're rebuilding motors.
Bringing life to corpses.
A nights work for a small block and flathead.
Wrenching on the dead.
And replacing heads.
It's the only life for small block and flathead.

Taken to the shop where many creations litter these grounds.
Some alive and some didn't quite work out.
Gasoline mixed with formaldehyde.
Genetic hotrod mutation come alive.

If your carburetor county jalopy junction bound.
Then your looking for some madness down in the south.
Folks are a little weird the towns a little strange.
And when ya pass the bone yard just look for the shop where.

Where they're rebuilding motors.
Bringing life to corpses.
A nights work for a small block and flathead.
