

Queen Bee

Koko Taylor

Well, I'm a queen bee,
Buzzin round your hive
I'm a queen bee, buzzin round your hive When you hear me buzzin,

You better come inside.

I'm young and able to buzz all night long
Aw I'm still able, to buzz all night long
When you hear me buzzin,
Some stinging's going on.
Hear me buzz!

Well I'm a Queen bee,
Won't you be my freind,
I'm a Queen bee,
Won't you be my freind,
Together we can make honey,
Like the world never seen.

Want you to love me,
Love me with your own free will,
You got to love me baby,
Love me with your own free will,
You forgot to tell me you were married, honey, don't you get me
killed, oh yeah yeah.
SOLO

Well I'm a queen bee,
I buzz all night long
I'm a queen bee now,
I buzz all night long
Well I could buzz at you baby /
When your gal is gone / oh yeah yeah.
