First True Love

Kolohe Kai

I got it I got it the note you gave me when you left Still got it still got it lying exactly where you left it My heart broke in two, There was no super glue to mend it Yeah, I was stuck on you Didn't know how to end it Yeah yeah yeah

You are my fifth, fourth or third seconds not the word You are my first my first true love Sad to say to this very day Your still the one I'm thinking of 'Cause your my first true love

It's over it's over I still don't even know I'm worked over And lately oh lately I've had those questions on my mind There was no such cure I endure you letter The only thing that helps Is my friends saying I can do better Yeah yeah

You are my fifth, fourth or third seconds not the word You are my first my first true love Sad to say to this very day Your still the one I'm thinking of 'Cause your my first true love

Fifth fourth or third seconds not the word You are my first my first true love Sad to say from this very day Your still the one I'm thinking of 'Cause your my first true love

I need to surf 'Cause it's killing me No one to hurt Love is leavin' me I'd rather sing than be cryin' Over you

I need to surf 'Cause it's killing me No one to hurt Love is leavin' me I'd rather sing than be cryin' Over you

I never felt this blue

You are my fifth, fourth or third seconds not the word You are my first my first true love Sad to say to this very day Your still the one I'm thinking of 'Cause your my first true love Tištěnoz www.txp.cz Sponzor: www.
