

# Come With Me Now

Kongos

Come with me now

Come with me now  
I'm gonna take you down  
Come with me now  
I'm gonna show you how

Come with me now  
I'm gonna take you down  
Come with me now  
I'm gonna show you how

Afraid to lose control  
And caught up in this world  
I've wasted time, I've wasted breath  
I think I've thought myself to death

I was born without this fear  
Now only this seems clear  
I need to move, I need to fight  
I need to lose myself tonight

Come with me now  
I'm gonna take you down  
Come with me now  
I'm gonna show you how

I think with my heart and I move with my head  
I open my mouth and it's something I've read  
I stood at this door before, I'm told  
But a part of me knows that I'm growing too old

Confused what I thought with something I felt  
Confuse what I feel with something that's real  
I tried to sell my soul last night  
Funny, he wouldn't even take a bite

Far away  
I heard him say (come with me now)  
Don't delay  
I heard him say (come with me now)

Come with me now  
I'm gonna take you down  
Come with me now  
I'm gonna show you how

Afraid to lose control  
And caught up in this world  
I've wasted time, I've wasted breath  
I think I've thought myself to death

I was born without this fear  
Now only this seems clear  
I need to move, I need to fight  
I need to lose myself tonight

Come with me now

Come with me now  
I'm gonna take you down  
Come with me now
