I Don't Mind

Kongos

It's the start of the night
Head on my shoulders spinning
Low light, passing through people
From room to room, womb to tomb
Got to reunite and break some bricks like '86
And if I lose my mind
I don't mind, I don't mind
I don't mind, I don't mind

So all the corners getting crowded
People, music getting louder
Place is out of space
Spilling into the streets
Just stomp your feet
And all together close your eyes
And shout out loud

I don't mind, I don't mind
I don't mind, I don't mind
No I don't mind, I don't mind
No I don't mind, I don't mind

And I know what I know girl
But I don't know what I know when I know it
And I hear what I hear girl
But I don't know what I hear when I hear it
(I don't mind)
And I see what I see girl
But I don't know what I see when I see it
(I don't mind)
And I know what I know girl
But I don't know what I know when I know it

The sun will rise and fall again
Kick my shoes off and count to ten
Get this girl closer 'til we're touching skin
Making some space and if she don't mind
So all the corners getting crowded
People, music getting louder
Place is out of space
Spilling into the streets
Just stomp your feet
And all together close your eyes
And shout out loud

I don't mind, I don't mind
No I don't mind, I don't mind

And I know what I know girl
But I don't know what I know when I know it
And I hear what I hear girl
But I don't know what I hear when I hear it
(I don't mind)
And I see what I see girl
But I don't know what I see when I see it
(I don't mind)
And I know what I know girl

But I don't know what I know when I know it
But I don't know what I know when I know it

I don't mind
I don't mind
I don't mind

And I know what I know girl
But I don't know what I know when I know it
(I don't mind)
And I hear what I hear girl
But I don't know what I hear when I hear it
(I don't mind)
And I see what I see girl
But I don't know what I see when I see it
(I don't mind)
And I know what I know girl
But I don't know what I know when I know it
But I don't know what I know when I know it
(I don't mind)
