Konshens

Come on and pump and do the Jamaican dance  
Music for the world, keep the music pumpin' and the people are jumpin'.  
Are you ready to let loose?

Rick LP, Elephant Man and Konshens in the house.

Are you ready to party?!

Oh oh oh - I just want to see you smile  
Oh oh oh - If only for a little while  
Oh oh oh - Let the music put you in a trance  
Oh oh oh - Come on and pump and do the Jamaican dance

Tonight we'll all be drinking the rhum  
Tonight we'll invite all our friends to come  
Tonight we're gonna party till the rising sun  
And it just goes on and on and on  
Tonight the palm trees will sway to the beat  
Tonight we'll dance in the sand in bare feet  
Tonight you and I will be complete  
And will just go on and on and on  
Sunshine, girls in bikini's and pina coladas  
Man that's the life  
Oh we play all day long, but we live for the night

Oh oh oh - I just want to see you smile  
Oh oh oh - If only for a little while  
Oh oh oh - Let the music put you in a trance  
Oh oh oh - Come on and pump and do the Jamaican dance  
Oh oh oh - Just let all your worries go  
Oh oh oh - Come on and do it nice and slow  
Oh oh oh - Let the music put you in a trance  
Oh oh oh - Come on and pump and do the Jamaican dance

Tonight we'll all sing the melody  
Tonight like two hearts in harmony  
Tonight there'll be no one else for me

I love the way the ladies move all about,  
You got to move your body, cause you know your sexy,  
In the musical party.
