

# Already Miss You

The Kooks

1. I know you're feeling bitter  
What I said last I didn't mean  
And now that I'm a little better  
This is what I meant to say

R: Babe I already miss you  
Sweetheart I already miss you  
Sweet-eyes I already miss you  
And you only just walked out the door

2. You know I hate talking on telephones  
I'm so sorry it's just my way  
And now that I'm a little older  
There's so much to you I'd like to say

R: Babe I already miss you...
