

Always Where I Need to Be

The Kooks

She don't know who she is,
I can take her anywhere,
Do whatever comes naturally to you,
You know she just don't care

'cause I'm always where I need to be
Yeah, and I always thought I would end up
With you, eventually
Do dodo do do do do...

Now I see her again,
I ask to be her hummingbird,
Whisper words in her ear,
Oh now you know I just don't care,

'cause I'm always where I,
Where I need to be
I-i-i always, always thought...
I would end up with you eventually!

I'm a man, I'm a man on the scene,
I'm a man, and I can be so obscene
Because I always think that I know how to be,
But I always thought that I would end up with you, eventually,
I'm a man, I'm a man on the scene,
I'm a man, and I can be so obscene.
