

Be Who You Are

The Kooks

But you don't know who you are
The road's gonna take and make you walk too far
You are a liar, you are a thief, you are a star
But you don't know who you are

You are just a kid with a sentimental heart
Afraid of what would've happened before you were the star
And you don't need the baggage, and you don't need the stuff
And you don't need nobody to fill your empty cup

Ta ta, ta ta, ta ra ra ra
Ta ta, ta ra ra ra
Be who you are
Ta ta, ta ta, ta ra ra ra
Baby you're a star
Ta ta, ta ra ra ra

Never give up, caught a train
Never be a slave to your own name
You are a poet, you are a fake, you are a star
But you don't know who you are

We could shine a light, here inside the dark
And get a little closer to [?]
And there's nothing left to win, and you can only lose
What's keeping you from doing what you always wanna do

Ta ta, ta ta, ta ra ra ra
Be who you are
Ta ta, ta ra ra ra
Be who you are
Ta ta, ta ta, ta ra ra ra
Baby you're a star
Ta ta, ta ra ra ra
Be who you are

Lately I've been feeling
Like the stars were rolling out for me
Stars were rolling out
Lately I've been feeling
But the stars were rolling out for me
Stars were rolling out
But maybe they're misleading
Is it just a light reflecting off the street?

You are just a kid with a sentimental heart
And do it for yourself, and do it for the art
But you don't need the baggage, you don't need the stuff
You don't need nobody to fill your empty cup

Ta ta, ta ta, ta ra ra ra
Be who you are
Ta ta, ta ra ra ra
Be, be who you are
Ta ta, ta ta, ta ra ra ra
Be who you are
Ta ta, ta ra ra ra

Baby you're a star
Ta ta, ta ta, ta ra ra ra
Be who you are
Ta ta, ta ra ra ra
Be who you are
Ta ta, ta ta, ta ra ra ra
Baby you're a star
Ta ta, ta ra ra ra
