

I remember when, I remember, I remember when I lost my mind  
There was something so pleasant about that face  
Even your emotions had an echo  
In so much space

And when you're out there, out there  
I was out of touch babe  
But it wasn't because I didn't know enough  
I just knew too much

Does that make me crazy  
Does that make me crazy  
Does that make me crazy  
Does that make me crazy..

I heard that youve been having the time of your life  
dont think twice, dont think twice, that's my only advice  
mwho do you, who do you, who do you, who do you think you are  
Ha ha bless your soul  
You really think you're in control

Well I think you're crazy  
Yes I think you're crazy  
Well I think you're crazy  
I think you're crazy
