

# Hold On

The Kooks

We are the kings of passion  
We are the dynasty  
You gotta make a decision, baby  
You are your worst enemy  
Uuh, brother of mine  
Falls above your line  
Money will buy back the tears that you've cried  
Don't ever tell you this is life

So hold on  
You gotta stay strong  
Hold on  
It won't be long  
Hold on  
You gotta stay strong  
Hold on  
It won't be long

I am the king of passion  
I am the dynasty  
I gotta make a decision  
I can't live in dishonesty  
Uuh, this king of mine  
Powers above us now  
Money will buy back the tears that we've cried  
Don't ever tell you this is life

So hold on  
You gotta stay strong  
Hold on  
It won't be long  
Hold on  
You gotta stay strong  
Hold on  
It won't be long

Hold on  
You gotta stay strong  
Hold on  
It won't be long  
Hold on  
You gotta stay strong  
Hold on  
It won't be long
