

Hooray for Henry

The Kooks

Listen, Henry
Listen, Henry

Stay a little, say you will, say you will
I wanna tell you how I feel now
And stay a little, say you will, say you will
I've gotta tell you how I feel, baby

Say a little thing, if you look into the mirror
There's a fly on the wall
We can disappear if we let go of our fear
But your eyes never fall

Hooray for Henry (Listen, Henry)
Hooray for Henry

Stay a little, say you will, say you will
And surely you'll feel me, baby
Stay a little, say you will, say you will
I'm gonna show you how I feel

'Cause we're walking, we're walking, baby
Just show me how you really feel
Stay a little, say you will, say you will
Stay a little, say you will, say you will

Say a little thing, if you look into the mirror
There's a fly on the wall
We can disappear if we let go of our fear
But your eyes never fall

Hooray for Henry (Listen, Henry)
Hooray for Henry (Listen, Henry)
