

## Cars

Kool G Rap

A convertible Porsche is what I striving to drive  
DJ Polo of course, drives a ride that I live  
With a AMG kit, in his pockets a mitt  
And if you try to steal his shit, by a pitch you get bit  
But yo one day you will see me in a fly Lambourghini  
On my way to the beach picking up girls in bikinis  
I I a hip-hop star and yo I bound to go far  
And all the girlies jump right on it  
When you drive a dope car

Yo I see cars driving by me looking milky and shiny  
Tires made from Pirelli getting all of the heinies  
Now a few of my friends they drive a Mercedes Benz  
All the seats are stitched and hemmed, MCM and gold rims  
The people are looking, all the ladies are hooking  
All the cops get shooked, suckers?girlfriends get taken  
Candy-apple Corvette, Benzy Boss in effect  
And you know you get respect cause they breaking their necks  
To see your car
