

# Pump Your Fist

Kool Moe Dee

Can you feel it  
Tension in the air  
Racism  
Violence everywhere  
Davis, Howard Beach  
Bumpers and Brawley  
It appalls me  
Now it's there  
Really racial justice  
It's time that we discussed this  
I'm disgusted  
I don't trust it  
What's this  
About  
New evidence brings doubt  
On who took King out  
Must have had clout  
Took the Kennedy route  
Witness  
Stories contradict and  
Confliction make Black men  
Say it had to end  
It won't happen again  
Pump your fist (3x)  
Can you hear me  
Hittin' home  
Knowledge  
Is the danger zone  
Liars and bigots  
And hypocrites start to panic  
They get frantic  
Power  
Generated by the truth  
Time to educate the youth  
The lust for money  
Is out of control  
Here's proof  
Drugs  
Always a tragic ending  
And at the risk of spending  
Time in jail  
Caught on a bum sale  
They persist  
Knowin' death's a risk  
Ignorance is bliss  
Chump their face  
Kill their race  
They deserved to get dissed  
Pump your fist (3x)  
We feel the wrath  
From what happened in the past  
Has made us walk a path  
Made by slavery  
Though bravery  
We lost  
Our unity our source  
Of power and we lost

All race pride  
In our Holocaust  
Now it's my creed  
I'm from a stronger breed  
My ancestors indeed had to bleed  
Whipped 'till they were freed  
And now  
I look back and say wow  
How did we allow  
Physical slavery  
I just don't ever again  
See it now I vow  
Pump your fist (3x)  
But are we free  
In actuality  
Let's talk reality  
Can't you see  
The slave mentality  
It's a sickness  
That eats you up like cancer  
And money's not the answer  
Won't advance ya  
Don't take a chance ya  
Lame  
Selling drugs for fame  
That's the weak man's game  
It's a shame  
You got the chains on your brain  
You're givin'  
Drugs to kids and livin'  
Half your life in prison  
God's for givin'  
But you got to work with him  
Pump your fist (3x)  
Distortion confusion  
Equality illusion  
Justice collusion  
No racism delusion  
History erased it  
Lives wasted  
Victory tasted  
Drugs face it  
Knowledge wisdom  
Educational system  
Blurred vision  
Lies dis 'em  
Voice loud  
Black proud  
Truth vowed  
No sellouts allowed  
Pump your fist (3x)
