

# Wild Wild West

Kool Moe Dee

The wild wild west (repeat 16x)  
I used to live downtown, 129th Street  
Convent, everything's upbeat  
Parties, ball in the park  
Nothing, but girls after dark  
We chill, nobody gets ill  
In the place we call the hill  
But if you try 'em  
That's when they will  
Get wild, but they don't fight, they kill

The wild wild west (repeat 4x)  
I remember parties out in the park  
With the girlies, rubbing up in the dark  
I was smooth, until someone pulled a gun  
It was over, they spoiled my fun  
I was flying, just like a track star  
Dying, nah, I ran through the back yard  
Trying to get into my building  
Thinking, "Why in the heck won't somebody kill them?"  
One day the fellas got together  
They vowed that no one would ever  
Come on our block, and terrorize us  
The gangs that used to do it, now they idolize us

We prefer to fight you on like a man  
And beat you down with our hands and bodyslam you at the...  
The wild wild west (repeat 4x)  
We don't start trouble, but boy do we end it  
Our time, we like to spend it  
Snapping, boy do we heat up  
But we'll take time out to beat up  
A sucker, if he wants static  
Beatdown, yeah we got it  
Good, and we'll accomidate you  
Thanks to us, a lot of brothers hate to  
Come back, to this very day  
Cause losing's one thing we don't play  
If you're ever in a fight and you're beating one of us  
Break out, before you get bumrushed  
At the...
