

# Straight Ahead

Kool & The Gang

Straight ahead straight ahead  
Let's go straight ahead to straight ahead  
Straight ahead, come on straight ahead  
Movin' straight ahead, straight ahead  
Keep movin' straight ahead  
Straight ahead

So you started from the bottom  
But you always saw the light  
And now you're ready for your journey  
One direction reachin' high

Keep the feeling of the spirit  
Always present as you climb  
One direction, one vibration  
That's the message let us try

Straight ahead, keep movin'  
Movin' straight ahead, straight ahead  
Keep movin' straight ahead

Keep the feeling of the spirit  
Always present as you climb  
One direction, one vibration  
That's the message  
You can make it if you try

Keep movin' straight ahead  
Straight ahead  
Movin' straight ahead  
Keep movin' straight ahead in love  
Let's go, let's go

Keep the spirit high  
And your heart in love  
Keep on movin'  
Keep the spirit high  
And your heart in love

Keep your head above  
And your heart in love  
Keep on movin'

Keep your head above  
And your heart in love  
Keep your feelings now  
Keep moving straight ahead  
Straight ahead, straight ahead  
Keep moving straight ahead
