

# Woman, Lover, Friend

Kool & The Gang

Every man needs a woman who understands  
When you need time to be alone  
When you need a helping hand  
A woman to love, and woman who'll love you back  
One who's faithful, honest, loyal, and true  
Baby, that someone is you

And I'm so glad I've got you in my life today  
You're all these things rolled into one  
And I'm so proud to say -

[Chorus]

That you are my woman  
My lover, and you are my friend  
And I'll do anything for you, Baby  
You are my woman  
My lover, and you are my friend

When I get home, you're waiting there for me  
With open arms and a kiss "hello"  
The moment that I hit the door -  
Dinner is ready, I hear water running in the bath  
And when you're dressed in your favorite lingerie  
I know what you want, you don't have to say

Baby Girl, I'm happy, and I'll do anything for you  
'Cause we've got something special  
That I don't want to lose

[Chorus X2]

[Bridge]

My friend - Baby, Baby  
You are my woman, you are my friend  
My friend - Baby, Baby  
My lover, my friend

[Bridge X2]

[Chorus X2]

You are my woman, my lover, my friend  
I'm gonna love you straight 'til the end  
Yeah, Yeah, Yeah

You are my woman, my lover, my friend  
I'm gonna love you straight 'til the end  
Yeah, Yeah, Yeah

You are my woman, my lover, my friend  
I'm gonna love you straight 'til the end  
Yeah, Yeah, Yeah

[Chorus X2]
