

## Psalm

Koop

I go  
When no one sees me  
Alone  
Behind the barriers  
I praise  
All the mountains  
I'm ??  
With no one else (but me)

Cross the line  
Over the sky  
I find  
All that is mine

I leave  
Where no one sees me  
Alone  
Behind the barriers  
I hope  
No one miss me  
When I am  
Behind the barrier

Cross a line  
Over the sky  
I find  
All that is mine
