

Psalm

Koop

I go
When no one sees me
Alone
Behind the barriers
I praise
All the mountains
I'm ??
With no one else (but me)

Cross the line
Over the sky
I find
All that is mine

I leave
Where no one sees me
Alone
Behind the barriers
I hope
No one miss me
When I am
Behind the barrier

Cross a line
Over the sky
I find
All that is mine
