

This shit right here is for you.
All your faces I can see.
You all think it's about me.
I'm about to break.
Is this my fate?
Am I still damned to a life
Of misery and hate.

You will never know.
What I've done for you.
What you all put me through.
I'd do it for you.
I could have never lived.
If it wasn't for you.
