

# A Different World

Korn

I dream of the past, so I can break through  
The walls I have built inside  
The thoughts I can't grasp  
Transparency through  
They're constantly fight and collide

I'd love to see a different world  
A place where you can't find me

Feel me, kill me, my back's  
Up against the wall  
Your magic spell  
Doesn't work anymore  
Kill me, kill me, that's what  
You've got to face, my friend (my friend)  
This ain't the end (the end)

Why can't I relax and let it be true?  
This world that I try to hide  
It's kind of a mess  
Too reckless for you  
This place makes me feel alive

I'd love to see a different world  
A place where you can't find me

Feel me, kill me, my back's  
Up against the wall  
Your magic spell  
Doesn't work anymore  
Kill me, kill me, that's what  
You've got to face, my friend (my friend)  
This ain't the end (the end)

The call of the purpose is the change in behaviour  
And that is all we keep constraints on the soldiers  
It gets on top of you and forces your perspective  
Then you know it, you feel it, it's as dark as you can get, you want it

Harder! Harder! Harder!  
Give it to you  
Harder! Harder!  
You just want it  
Harder! Harder! Harder!  
Give it to you  
Harder! Harder!  
I don't think you'll ever get it

Feel me, kill me, my back's  
Up against the wall  
Your magic spell  
Doesn't work anymore  
Kill me, kill me, that's what  
You've got to face, my friend (my friend)  
This ain't the end (the end)
