Alone I Break

Pick me up

Been bleeding too long Right here, right now I'll stop it somehow I will make it go away Can't be here no more Seems this is the only way I will soon be gone These feelings will be gone These feelings will be gone R: Now I see the times they change Leaving doesn't seem so strange I am hoping I can find Where to leave my hurt behind All the shit I seem to take All alone I seem to break I have lived the best I can Does this make me not a man? Shut me off I'm ready, heart stops I stand alone Can't be on my own I will make it go away Can't be here no more Seems this is the only way I will soon be gone These feelings will be gone These feelings will be gone R: Now I see the times they change... Am I going to leave this place? What is it I'm running from? Is there nothing more to come? (Am I gonna leave this place?) Is it always black in space? Am I going to take its place? Am I going to win this race? (Am I going to leave this race?) I guess God's up in this place? What is it that I've become? Is there something more to come? (More to come) R: Now I see the times they change... (2x)
