

# Blind

Korn

Are you ready?!

This place inside my mind, a place I like to hide  
You don't know the chances. What if I should die?!  
A place inside my brain, another kind of pain  
You don't know the chances. I'm so blind!

Another place I find to escape the pain inside  
You don't know the chances. What if I should die?!  
A place inside my brain, another kind of pain  
You don't know the chances. I'm so blind!

Deeper!.. Deeper!.. Deeper inside me!  
To live a life that seems to be a lost reality  
That can never find a way to reach.  
My inner self  
I stand alone!  
How deep can I go in the ground that I lay?  
If I don't find a way to see through the gray that clouds my mind.  
This time I look to see what's between the lines!

I can see, I can see, I'm going blind... [12x]  
I'm blind [4x]
