Realized I can never win

Sometimes I feel like I have failed

Inside where do I begin

My mind is laughing at me

Tell me why am I to blame

Aren't we suppose to be the same

That's why I will never tame

This thing that's burning in me

I am the one who chose my path
I am the one who couldn't last
I feel the life pulled from me
I feel the anger changing me

Sometimes I can never tell
If I've got something after me
That's why I just beg and plead
For this curse to leave me
Tell me why am I to blame
Aren't we suppose to be the same
That's why I will never tame
This thing that's burning in me

I am the one who chose my path
I am the one who couldn't last
I feel the life pulled from me
I feel the anger changing me

Betrayed

I feel so enslaved

I really Tried

I did my time

I am the one who chose my path

I am the one who couldn't last

I feel the life pulled from me

I feel the anger changing me

Oh God, the anger's changing me [2x]
