

# Kiss

Korn

Some deny and search for things  
That never come around, do I feel like a fool?  
The places I have ran to all my life have disappeared  
And I owe this all to you, all to you

I'm feeling like I'm sinking  
And nothing's there to catch me  
Keep me breathing, breathing

What do I have to do?  
Why can't this hurt be through?  
I'm going head unto  
Something I know I will fail

Why can't this kiss be true?  
Why won't you please let me through?  
I don't understand  
Why you always push me away

Well, last thing I would like to do before I go away  
Is cry there next to you, next to you  
Cry and talk about the good old days and where they've gone  
And now how much I hate you

What do I have to do?  
Why can't this hurt be through?  
I'm going head unto  
Something I know I will fail

Why can't this kiss be true?  
Why won't you please let me through?  
I don't understand  
Why you always push me away

I feel the blood drip off the body  
As it pools right there on the ground  
What am I now?  
What am I now? What am I now?

What do I have to do?  
Why can't this hurt be through?  
I'm going head unto  
Something I know I will fail

Why can't this kiss be true?  
Why won't you please let me through?  
I don't understand  
Why you always push me away

Why you always push me away?  
Why you always push me away?  
Why you always push me away?  
Why you always push me away?

Why you always push me away?  
Why you always push me away?  
Why you always push me away?

Why you always push me away?
