

## Love & Meth

Korn

Feelings you see are so hard to believe  
All the chaos I have in my heart  
Devils I make and the love can relate  
All the solace inside tears me up

Take me away!  
Set me on fire  
There's no other way

Give me a reason 'cause I've got nothing to gain  
So what are we doing now?  
Building complacent, I cannot be contained  
I'm so lost and lonely now

We've been deceived, it's so easy for me  
'Cause the loathing I've had from the start  
Evil diseased, all the hatred it brings  
As I'm down on my knees torn apart

Take me away!  
Set me on fire  
There's no other way

Give me a reason 'cause I've got nothing to gain  
So what are we doing now?  
Building complacent, I cannot be contained  
I'm so lost and lonely now

Where do I run?! Where do I hide?!  
Give me a reason to end my life!  
Where do I run?! Where do I hide?!  
Give me a reason to get out alive!

Give me a reason 'cause I've got nothing to gain  
So what are we doing now?  
Building complacent, I cannot be contained  
I'm so lost and lonely now

Give me a reason 'cause I've got nothing to gain  
So what am I doing now?  
Building complacent, I cannot be contained  
I'm so lost and lonely now...
