

My Gift to You

Korn

There you are my precious
Not long ago
Hiding behind the shadows
Of your broken soul
Why is it always you want something you can never have?
Why did you try to tell me?
How could you be this way

Your throat, I take grasp
Can you feel the pain?
Then your eyes roll back
Can you feel the pain?
Love racing through my veins
Can't you feel the pain?
Your heart stops beating
Can't you feel the pain
Black orgasms
Can't you feel the pain
I kiss your lifeless skin
Can't you feel the pain

There you are my precious
With your broken soul
Rubbing my crotch, elated
Taking control
Why is it always
You fuck up something you have always had
Why'd you try to tell me
How could you be so cold?

Your throat, I take grasp
Can you feel the pain?
Then your eyes roll back
Can you feel the pain?
Love racing through my veins
Can't you feel the pain?
Your heart stops beating
Can't you feel the pain
Black orgasms
Can't you feel the pain
I kiss your lifeless skin
Can't you feel the pain

Here I am, just a man
Feeling the pain, gives me life
Relieving us is my plan
I'd do anything to see through your eyes
Just to see through your lies

I hate you, Can you feel the pain?

Can't you feel the pain?

I hate you, Can you feel the pain?

Your throat, I take grasp
Can you feel the pain?

Then your eyes roll back
Can you feel the pain?
Love racing through my veins
Can't you feel the pain?
Your heart stops beating
Can't you feel the pain
Black orgasms
Can't you feel the pain
I kiss your lifeless skin
Can't you feel the pain
