

# No Place to Hide

Korn

HaHaHa!

I see your faces and I do not understand why  
Each time I dream you standin there, right by my side  
Why do you make me, you take my pride  
and in my eyes you kinda rape me, inside

I have no place to run and hide  
I have no place to hide which I like

Some look at the time, I looked back into my life  
You want to touch me to see what's in my eyes  
Why do you make me remember all the hate all its shame  
Don't you hate me, sometimes?

[chorus]

I got no place to run, so don't come follow me  
I don't know where to run, so don't make fun of me

. . .which I like. . .

[chorus]
