I can't stand to let you in I'm just watching you And I don't know what to do

Feeling like a fool inside Feeling all that you hide Thought you were my friend Seems it never ends

I need somebody, someone Can?t somebody help me? All I need is to be Loved just for me

Giving you this and that Giving, getting nothing back It's all related to All the things I do

Feeling like a fool inside Seeming all the things you tried I am nothing

I need somebody, someone Can?t somebody help me? All I need is to be Loved just for me

I look, I sign, I need someone inside To help me out with what I'm trying I'm crying, I'm frying in a pile of shit I'm dying, I'm dying, I'm dying

I need somebody, somebody (Someone, somebody) Someone I need somebody, somebody (Someone, somebody) Someone, someone
