How did it start? Well, I dont know. I just feel the craving. I see the flesh and it smells fresh. And it's just there for the taking. These little girls they make me feel so god damn exhilarated. I feel them up, I can't give it up. The pain that I'm just erasing. I tell my lies and I despise. Every second I'm with you. So I run away and you still stay. So what the fuck is with you.

Your feelings I can't help but rape them. I'm sorry I don't feel the same. My heart inside is constantly hating. I'm sorry I just throw you away.

I don't know why I'm so fucking cold? I dont know why it hurts me. All I wanna do is get with you. And make the pain go away. Why do I have a conscience? All it does is fuck with me. Why do I have this torment? All I want to do is fuck it away.

I tell my lies and I despise. Every second I'm with you. So I run away and you still stay. So what the fuck is with you.

Your feelings I can't help but rape them. I'm sorry I don't feel the same. My heart inside is constantly hating. I'm sorry I just throw you away.

I just throw you away. I just throw you away. I just throw you away. I just throw you away. Korn
