

## Under His Command

Korzus

With a nod of his head  
And a wave of his hand  
Pain and blood covering my eyes  
It's the reign, reign of lies

March! Destroy! Slay!  
Crushing, breaking my brain!  
March! Destroy! Slay!  
Under his command!

Nations fall before his might  
Lay shattered at his feet  
That is their plight  
He will never accept the light

March! Destroy! Slay!  
Crushing, breaking my brain!  
March! Destroy! Slay!  
Under his command!

Reign of lies...

March! Destroy! Slay!  
Crushing, breaking my brain!  
March! Destroy! Slay!  
Under his command!
