

Catch you  
You create misery  
Have your cake and eat it  
Take your place in history  
And pray we don't repeat it  
Call it faith, call it back, call it off  
Don't call me later  
Lay your head in your pain  
It's just how you make it

Out off my way I'm running  
I'm gonna catch you if I can  
Out off my way I'm coming  
I'm gonna catch you if I can

Out off my way I'm running  
I'm gonna catch you if I can  
Out off my way start running  
I'm gonna catch you

It's your day believe it  
It's your date with destiny  
It's too late to leave it  
After all it's your it's your party  
Call it luck, call it faith, call me beautiful to my face  
Call it out to me to surprise  
It's just how you make it

Out off my way I'm running  
I'm gonna catch you if I can  
Out off my way I'm coming  
I'm gonna catch you if I can

Out off my way I'm running  
I'm gonna catch you if I can  
Out off my way I'm coming  
I'm gonna catch you

Out off my way I'm running  
I'm gonna catch you if I can  
Out off my way I'm coming  
I'm gonna catch you if I can

Out off my way I'm running  
I'm gonna catch you if I can  
Out off my way I'm coming  
I'm gonna catch you
