Begging to livin then on to eternity  
So fly with me like an arrow shot through the sky  
Until we die always getting high  
We always down to ride  
Renegades getting blaze like some judrays  
Everyday we blowing hay like some hand grenades  
They call us king and the castle's made of cannabis  
Dragon slayers subnoize misfits

Strap the vest up keep it cowboy tough  
Been through it all and the toughest of battles  
Never lost one cause I'm still in my saddle  
Bang bang shoot them up dip out reload  
I'm over the hills and around the road  
Prepare for action get ready to pop one
