

Endless Highway

Kottonmouth Kings

Livin life on the endless Highway lost miles in
between- If we never saw the world tomorrow we'd
go out smokin green- you cant sell it if you never
bought it there's a price to chase this dream-

Hey yo Richter Hey yo whaddup D
For the past 6 years our life's been kinda crazy
Travelin' overseas seein shit we wouldn't
see You know a stoner mind like mine can't
remember every city Well you know I'm with
you homie and you know I got love For
everybody at our shows, from the clubs to the pubs
Blazin' dubs outta bubs, we be tight like a
glove Like the smoke from our pipes
We gonna rise above

Livin life on the endless Highway lost miles in
between- If we never saw the world tomorrow we'd
go out smokin green- you cant sell it if you never
bought it there's a price to chase this dream-

In the back of the back of the Back of
the back of the bus On this never-ending
journey, gettin searched by the fuzz Gettin
rushed out my bunk at nine-thirty in the mornin'
Wake up, grab your stash, break the bongs,
and hide your doja Kept composure with the
po-po's, our driver was on no-doze We was
movin slow on the side of the road And on the
side of the road was more highway patrol's
Got the K-9 units, man this shit's no joke
So we called up High Times for some legal advice
Cause if we miss the show tonight, you know
there's gonna be fights It's gonna get a
little rowdy if the Kings don't play
Another price you gotta pay on this

go out smokin green- you cant sell it if you never
bought it there's a price to chase this dream-
