Here's some stoney vibrations for ya..  
off the Daddy X organic soul record..  
featuring the Kottonmouth Kings..  
droppin late summer 2004 Suburban Noize Records  
kick back fire it up and enjoy..

(I get up)  
(I get up)  
(I get up)

I get up (I get up)  
I get up (I get up)  
I get up (I get up)  
Even when I'm feelin down (I get up)  
So down  
(I get up)  
So down

There's no need to get down on yourself  
There's no need for peeps to scream and yell  
So why you always gotta be that dude  
Puttin other people down, that don't make you cool  
You simply look like a fool, put your foot in your mouth  
Uplift one another thats what we're talkin about  
I stay up 'cause there's no holdin' me down  
I keep my feet on the ground  
I keep my friends all around

I get up (I get up)  
I get up (I get up)  
I get up (I get up)  
Even when I'm feelin down  
So down  
(So down)  
So down  
(So down)  
We've been hit up, we been spit on  
Misunderstood pirate it ain't done wrong  
Still we keep movin' on  
Yeaahhh, We been hated  
under-rated, stuck to a gun  
somehow we made it  
They just cant silence this song

I get up (I get up)  
I get up (I get up)  
I get up (I get up)  
Even when I'm feelin down  
So down  
(So down)  
So down  
(So down)  
Sometimes I struggle  
When I'm feeling down and out  
All the time I stand by myself  
Tryin' to fool myself out  
It's so hard to realize

When you're caught up in a mix  
The only thing that you see  
Is television where's my spits.. I get up

I get up (i get up)  
I get up (i get up)  
I get up (i get up)  
Even when I'm feelin down  
So down  
(So down)  
So down  
(So down)
